Available by appointment only

Dental screening

for eligible children and youth 17 and under

Dental screening is a quick and easy way to find out how your child's teeth are doing. A registered dental hygienist will take a quick look at the teeth, identify concerns, and provide guidance and suggestions.

Screening date:

- Monday, November 16, 2026
  10 a.m. to 2:00 p.m.
  Available by appointment only.

Location:

Public Health Sudbury & Districts,
Sudbury East office,
1 King Street, 2nd floor, St. Charles

- Wear a mask.
- Stay home if you are sick.

Who is eligible for screening:

√ children and youth 17 and under who do not have dental insurance or cannot afford dental care

We can help you:

√ find out if you qualify for dental financial assistance programs

To book an appointment, call 705.664.3514, (toll-free 1.866.522.9200).
